PROFESSIONAL SUMMARY

Computer Science Engineering graduate (2026, CGPA 7.56/10) applying for the **Project Associate (Fresher)** position. Strong foundation in **Cyber Security and Ethical Hacking** — networking concepts, Linux fundamentals, vulnerability assessment, basic penetration testing and security tools (Wireshark, Nmap, Burp Suite, Nessus) — complemented by hands-on academic projects in **deep learning / AI** and **full stack blockchain web development**. Certified by Infosys Springboard (Front-End Web Development) and NPTEL (Cloud Computing, Internet of Things). Analytical, detail-oriented and a quick learner, eager to contribute technical expertise and grow within a research / project environment.

DOMAIN FIT AGAINST RECRUITMENT DOMAINS

Domain in Notification	Candidate Exposure
Cyber Security / Network Security / Dependable & Secure Computing	VAPT, OWASP Top 10, log analysis & threat monitoring; Wireshark, Nmap, Burp Suite, Nessus
Artificial Intelligence / Machine Learning / Deep Learning / Data Science	Real-Time Sign Language Interpretation using Deep Learning (Python, TensorFlow, OpenCV, MediaPipe, Seq2Seq)
Full Stack Development / Web Technologies / Web Developer / Information Technology	Fractional Ownership — blockchain crowdfunding & auction platform (React.js, Node.js, Web3.js); Front-End Web Development certification
Design / Web Designing / UI-UX Designer	HTML, CSS, JavaScript front-end development; user-facing interface implementation in academic projects
IoT / Embedded Systems / Embedded Systems & IoT	NPTEL — Introduction to Internet of Things
Cloud Computing / Software Technology	NPTEL — Cloud Computing; Git & GitHub, Linux, CLI
Quantum Computing / Quantum Technology / HPC / Quantum (QKD) FPGA Technologies	B.Tech CSE curriculum fundamentals; strongly motivated to upskill and contribute to quantum / HPC projects
Communication / Network Administration / Technical Support / Testing-QA	Networking fundamentals, Linux & CLI troubleshooting, log analysis; attention to detail in testing activities

TECHNICAL SKILLS

Cyber Security	Network Security Fundamentals, Vulnerability Assessment & Penetration Testing (VAPT), OWASP Top 10 Concepts, Phishing Awareness & Password Security, Log Analysis & Threat Monitoring
Security Tools	Wireshark, Nmap, Burp Suite, Nessus
AI / ML / Deep Learning	TensorFlow, OpenCV, MediaPipe, Seq2Seq models, Computer Vision, NLP techniques
Web / Full Stack	HTML, CSS, JavaScript, React.js, Node.js, Web3.js
Languages	Python (Basics), JavaScript
Systems & Networking	Linux Fundamentals, Command-Line Interface (CLI), Git & GitHub
Core Focus	Cyber Security, Ethical Hacking, Web Application Security, AI-based Applications

PROJECTS

Real-Time Sign Language Interpretation Using Deep Learning

Tech Stack: Python, TensorFlow, OpenCV, MediaPipe, Seq2Seq

- Developed a real-time system that converts sign language gestures into meaningful text using deep learning, computer vision and NLP techniques.
- Implemented support for both static and dynamic gestures for improved communication assistance.

Fractional Ownership – Blockchain-Based Crowdfunding & Auction Platform

Tech Stack: Blockchain, Smart Contracts, Web3.js, React.js, Node.js

- Developed a decentralized crowdfunding platform that enables users to purchase tokenized fractional ownership in startups.
- Implemented auction-based pricing mechanisms to support transparent and fair fundraising.

CERTIFICATIONS

Course	Platform
Front-End Web Development	Infosys Springboard
Cloud Computing	NPTEL
Introduction to Internet of Things	NPTEL

EDUCATION

Qualification	Institution	Year	Result
B.Tech Computer Science and Engineering	Sri Manakula Vinayagar Engineering College, Puducherry	2022 – 2026	CGPA 7.56 / 10
HSC (XII) — Computer Science	CK School of Practical Knowledge, Puducherry	2021 – 2022	66.5%
SSLC (X)	Kamaraj Matriculation Higher Secondary School	2019 – 2020	64.02%

ADDITIONAL

Interests: Cyber Security • Ethical Hacking • Threat Analysis • Network Security • Web Application Security • Security Research
Soft Skills: Analytical Thinking, Problem Solving, Teamwork, Attention to Detail | **Languages:** Tamil, English
Availability: Immediate joiner (0 days notice period) | **Location:** Open to any of the notified locations across India
